Why I love After School Programs: I love being with and having fun with kids!!

Welcome to PACE , Richardson ISD 's after school program . My name is Jennifer McEvoy, and I am the Site Coordinator of PACE at Northwood Hills Elementary .

I have worked with RISD for two years. I have been at NHE for both and absolutely love it here! I teach special education and love learning new things. I grew up in the Lake Highlands area, so have been in RISD all my life.

I look forward to a new and exciting 2009-2010 school year as we implement our new PACE after school program.

Please feel free to contact me if you have any questions.
